

FORM 13 INSTRUCTIONS

PRODUCERS CERTIFICATE OF COMPLIANCE AND AUTHORIZATION TO TRANSPORT OIL OR GAS FROM LEASE

This certificate shall be executed and filed in triplicate with the Board covering each lease from which oil or gas is produced.

After said certificate has been approved, one copy shall be forwarded to the transporter; one copy returned to the producer, and one copy retained by the Board.

This certificate when properly executed and approved by the board shall constitute an authorization to a pipe line or other carrier to transport oil or gas from the lease named therein and shall remain in full force and effect until:

- (A) Operating ownership changes, or
- (B) The transporter is changed, or
- (C) The authorization is canceled.

If this certificate is filed to cover a change in operating ownership or a change in the transporter designated to move oil or gas, show under "Remarks" the previous owner or operator and the transporter previously authorized to transport oil or gas.

A separate report shall be filed to cover each producing lease as designated by the board.
